

## MAKEMIE WOODS YES CAMPER APPLICATION

*This application must be completed and returned for enrollment in YES camp. Please note, you must also submit a regular camper registration form along with this application.*

Name: \_\_\_\_\_ Church: \_\_\_\_\_

YES stands for Youth Encountering Servanthood. What does servanthood mean to you?

Why do you want to be a YES camper?

How are you prepared to work hard, work cheerfully, learn new things, set a good example for all other campers, and listen carefully (and have a great time!!) for 2.5 weeks?

*The final six days of the YES program are to be spent with a camper group (and a paid counselor for that group) learning the in's and out's of being on staff. If any YES campers give us reason to doubt they are not ready for such an experience, we reserve the right to send them home prior to this final experience.*
