Dear Parent or Guardian:

Thank you for your interest in sending your camper to Makemie Woods. We do our best to provide a quality Christian camping experience, and we are thankful that through the generosity of churches and individuals we are able to offer financial assistance when it is needed. Many churches will give financial assistance, and we request that you contact your church and/or social service agency for assistance prior to requesting camp scholarship funds. In this way we hope to help as many children as possible.

Enclosed please find the Camp Scholarship Application form you requested. A \$50 registration fee must accompany each camper registration requesting scholarship assistance (\$25.00 for two-night camps). Families who cannot afford this fee should contact their church or social service agency for assistance. This fee will be refunded if for some reason the Camp Committee cannot give the scholarship assistance or the session is full. It cannot be refunded if the camper does not attend, or the registration is cancelled by the family. Because these are need-based scholarships and our resources are limited, we request that on the form the pastor or social service agency both verify this need and that they have been asked to consider additional assistance. **WE CANNOT AWARD FULL SCHOLARSHIPS WITHOUT THIS SIGNATURE.**

Your camper will be registered once the registration form is received with the \$50 registration fee, even if received in advance of the scholarship form. We will award scholarships as long as our fund allows. Scholarships will be awarded on a first come, first served basis. The Makemie Woods Scholarship Fund was designed specifically to offer financial assistance to campers who would not be able to attend even one camp session without this help. Our goal is to see that lack of finances is never a reason for any child to miss out on camp; therefore, we appreciate your understanding that scholarship assistance is intended for one session per camper.

On the reverse of this letter is a chart showing the maximum scholarship for each camp session. There are sessions with full scholarships (less \$50 registration fee) available in every age group, but because our funds are quite limited, we are only able to award partial scholarships for many late summer sessions and specialty camps. Should your camper wish to attend a session in a higher price range, please consider contacting your church or a local social service agency about helping to sponsor your camper for the balance of the cost.

If you have any questions, please call the camp office at 800.566.1496. We look forward to seeing your camper at Makemie Woods this summer.

Sincerely,

Mike Burcher, Director

**MAKEMIE WOODS  
FINANCIAL ASSISTANCE CHART 2009**

These charts are designed to help you select a camp session that works for your situation. Selecting a camp from the first chart means that once the \$50 registration fee is paid, a full scholarship can be given to assist your camper. **FULL SCHOLARSHIPS CAN ONLY BE GIVEN WITH A SIGNATURE FROM A CHURCH OR AGENCY.** You may request a partial scholarship for camps in the full scholarship list, this helps our limited funds assist more children. Selecting a camp from the second chart will require additional funds from your family or other sources to cover the balance of the camp fee.

Please check in the camp brochure for the exact dates and grades for each camp session listed below.

The maximum amount that can be awarded for each camp session is listed in parentheses ( ).
