BUILDING on the MAKEMIE LEGACY

Blessed are those who trust in the LORD, whose trust is the LORD. They shall be like a tree planted by water, sending out its roots by the stream. It shall not fear when heat comes, and its leaves shall stay green; in the year of drought it is not anxious, and it does not cease to bear fruit.
(NRSV Jeremiah 17:7-8)

DEEPENING OUR ROOTS

We all need a time and place to deepen roots that will give us strength, sustenance, and the ability to reach beyond our human limitations. When rooted, we do not fear when heat comes and we never fail to bear fruit. Jesus talks of deep roots and secure foundations. His parables abound with seeds and houses that blow away or wash away because they lack depth. Roots will wither without faith in Christ.

BUILDING ON THE LEGACY

Presbyterian camps and conference centers offer rich and rewarding opportunities for experiential Christian education and renewal. We are very blessed in our Presbytery to have **Makemie Woods**, which was established near Williamsburg in 1964 as a center for camp and conference ministry. This rustic setting with small cabins, dorm style sleeping, and shared bathrooms accommodates 130 guests and carries great charm for many. However, most adults today request more accessible, comfortable, and private accommodations.

WINGS THAT ALLOW US TO SOAR

We must broaden our wingspan and expand our ministry. We want to

minister to the needs of our future Presbytery, by improving the facilities and options at **Makemie Woods** for youth and adults! Because of this, the Presbytery has approved and committed to making this dream a reality through the **roots & wings** campaign. Makemie Woods can be a place for all of us to explore our faith and deepen our relationship with each other and Christ.

Look for details soon regarding the **roots & wings** campaign – BUILDING on the MAKEMIE LEGACY.
